

# Ithan Elementary School Song

Ithan Elementary School

We come to learn and play.

Making friends and having fun

And helping everyone

Ithan is caring every day.

Ithan is caring, building heart and mind

Teaching responsibility, working to be kind

We strive to find empathy and self control.

Growing up from kindergarten to fifth grade our common goal.

Ithan Elementary School

We come to learn and play.

Making friends and having fun

And helping everyone

Ithan is caring every day. (Repeat)

\* Sang to the tune - John Jacob Jingleheimer Schmidt
