

MEDIA RELEASE 2018-2019

During the school year, Radnor Township School District (RTSD) students have the opportunity to participate in programs, assemblies, activities, field trips and other events in addition to their normal classroom lessons that support their education, promote community service, encourage positive behavior or otherwise enhance their learning experience.

Students may also earn achievements and accolades throughout the year for their involvement in academic and extracurricular projects and activities. The district believes these experiences are an integral part of a student's educational journey and, in many cases, enrich his or her academic journey. The district would like to share information about these experiences with the community.

The district asks that you permit your child's name, image, audio or writing to be used in district publications, district video productions, and on its digital/electronic media offerings, when relevant, to spread good news about what is happening with your child and in Radnor schools. We also ask you to permit your child's name, image, audio or writing to be released for use by area newspapers, radio, television stations and/or other external media to help share your child's RTSD experience with the larger community.

Some events/activities that may result in coverage of a student on RTSD or external media include:

- Student Awards
- Field Trips
- Special Projects and Charitable Efforts
- Assemblies
- Classroom Activities
- Athletic Competitions

As always, the utmost priority of RTSD is to protect the safety of all students. Granting permission for your child to be featured in stories, photography and other media allows the district to continue to provide a safe and caring learning environment while showcasing all the great things going on in a student's academic life. **Please check "Yes" or "No" below.**

I hereby grant RTSD the right and permission to publish/use photographs or video and/or audio recordings of my child, and schoolwork created by my child, to promote my child, school and district through its own media productions or through the external media.
