
PARLIAMENTARY PROCEDURE

Overview

This event is based on team rather than individual competition. Team participants develop speaking ability and poise through competitive performance.

This is a team event composed of two or three members. This event consists of two parts: an objective test and a performance. The top fifteen teams scoring the highest on the objective test will advance to the final round and participate in the performance component.

The examination and performance criteria for this event will be based on *Robert's Rules of Order, Newly Revised, 11th edition*.
