
PARTNERSHIP WITH BUSINESS PROJECT

Overview

The purpose of this project is to learn about a business through communication and interaction with the business community.

This is a two-part event: a written project (up to fifteen pages) is submitted prior to the NLC to be judged, and all eligible chapters will present the project at the NLC in a preliminary round. The report must be submitted online to the national center by the second Friday in May for judging.

This is a chapter report.
