
WEBSITE DESIGN

Overview

The ability to communicate ideas and concepts and to deliver value to customers, using the Internet and related technologies is an important element in a business' success. This event recognizes FBLA members who have developed proficiency in the creation and design of websites.

This is a two-part event: the URL is submitted prior to the NLC to be judged and all eligible chapters will present the website at the NLC in a preliminary round,

This is an individual or team event.
