

# Radnor High School National Honor Society

**Congratulations – Please read the following carefully.**

**Congratulations**, you have been selected to apply for Radnor High School’s chapter of the National Honor Society. Only students with a cumulative GPA of 3.8 or above may submit a Candidate Information Packet. If you are interested in becoming a member, please fill out the attached handouts.

***Please follow the guidelines listed below.*** If Membership Packets are incomplete or submitted late, they will not be considered for NHS.

## **Selection Process**

As stated in the Invitation letter, selection to NHS is a privilege, not a right. Students are not automatically placed in NHS due to their grade point average; they must provide information to be used by the local selection committee to support their candidacy for membership. NHS is more than just honor roll. Radnor’s local chapter of the NHS emphasizes the components of leadership, service, and character in the selection process.

Students are responsible for obtaining two service recommendations, two character recommendations, and one leadership recommendation showcasing three out of the four pillars of NHS – service, character, and leadership. Candidates must use the forms provided in this document. Recommenders can be in or out of school and may be teachers, coaches, church members, social group coordinators, employers, etc...*They may not be current students or immediate family members.*

Students are responsible for letting the recommenders know that the documents are **TIME SENSITIVE** and should not wait until the last minute to complete them. Any recommendations received after the due date listed below will not be accepted. Directions for submitting recommendation are at the top of each form.

## **Deadline for ALL Documents**

The Candidate Information Packet must be completed and returned to Room 125, **Mrs. Peterson’s Room** no later than **3:15pm on Thursday, October 7th**. Applications not received or not fully completed by this date will not be considered. If you have any questions, feel free to contact Mrs. Peterson in room 125 or email [janee.peterson@rtsd.org](mailto:janee.peterson@rtsd.org). With the exception of recommendations, all documents should be submitted in person to room 125. They should be neat and organized.
