

2021 MUM SALE INFORMATION SHEET – Radnor Band and Color Guard Assoc.

Delivery Day is Saturday, 9/25/21

For the past several years the Radnor Band and Color Guard Association has organized a Mums sale to offset the cost of the yearly band trip. Please read the updated details below and contact us with any questions.

WHY SELL MUMS? Students who choose to sell Mums will offset the cost of their individual band trip with their earnings.

IS IT MANDATORY TO SELL MUMS? No. It is totally voluntary.

HOW MUCH MONEY WILL YOU MAKE? For every \$8 plant sold, the student keeps \$4.25. For example, if a student sells 20 plants, \$85 would be deposited in to the student's individual band account to be applied towards the cost of their upcoming band trip. The accounts are managed by the Board Treasurer.

ARE THE EARNINGS SPREAD AMONG ALL THE STUDENTS? No. If a student doesn't sell any mums, their student account credit is zero.

CAN I DONATE MY EARNINGS TO STUDENTS WHO MAY NEED FUNDS FOR THEIR TRIP?

Absolutely. You can notify the Drews and they will credit your plant earnings to a student in need.

WHAT HAPPENS ON DELIVERY DAY?

On the morning of our delivery, multiple trucks arrive with over 5000 mums. As a team of volunteers, we unload and count the dozens of carts full of plants. We no longer use the "drive up and fill your car" format. Instead, once we confirm the farm has delivered all our mums, we have volunteers transferring plants to assigned parking spots in front of RHS that are marked with students' names. Once a student's order is filled, a volunteer recounts the order again and confirms it is ready for the student/family to pick up. Pick up is from 10:30a-1230p.

IF I AM SELLING MUMS, WHY MUST I VOLUNTEER ON DELIVERY DAY?

Students who are selling Mums will benefit financially and need to shoulder the burden of the labor on the day of delivery. While we are grateful and welcome anyone who wants to help, we feel it is unfair to ask students not selling Mums to work/facilitate a sale which does not benefit them. Volunteering is especially crucial for students with orders of 50 mums or more. Please note, there are many ways to help that do not require any physical labor for anyone who is not able to lift, move or even touch the plants. We need major help counting the plants at the early morning delivery (approx. 7:45a). Thank you!
