## MOVE TO THE NEXT LEVEL

Sound familiar? One of our local Normans (not to be confused with Mr. Bell or Storming' Norman) created a big issue last year regarding the need to move his Eagles to the next level. Controversial changes were made in an effort to achieve that goal.

Aren't we lucky? Here in Radnor we are on the threshold of a similar improvement but without the turmoil. The Radnor High School soccer team is going to surprise more than one opponent this year. Despite the loss of some key players through graduation, the current roster looks strong and promising. Watch for them to succeed in the Central League and move forward to a successful play-off performance.

Give credit to Sam Holt and his coaching staff. They will again field a team which is exciting and fun to watch. Look for solid leadership from the talented and experienced upper classmen led by Co-captains Jeff Buck and Caleb Burns. Add to this a strong returning sophomore class and some encouraging bright spots in the freshmen group. All in all, we have a gifted group of young men, armed with skill and motivation, who are ready to accept the challenge of success.

So, to the coach we say thanks, Sam, for another outstanding job. To the players we say, good luck and stay healthy. Try to remember that only when you look back on these years will you realize it was a magic time of your lives. So--forget any performance pressure, go out and play hard and most of all, enjoy your year and your move to the next level!

## SENIORS

**JOHN ARNEY-** John added the height and the levity that the team needed. After his bout with mono, he came back in the play-offs to make himself a key player and tough striker.

**JAY BREITLING-** Jay won every ball that he faced. He had the genuine ability to keep spirits up, and he cared about each player and how the team was doing.

**JEFF BUCK-** Jeff was an intense player whose energy level was never ending. He fought hard for every ball, and his enthusiasm and leadership was evident during practice and games.

**CALEB BURNS-** Caleb was able to give helpful directions to this teammates. His exceptional long throw and great containment of the ball helped to make him one of our most effective post-season players.

**DAVID BYRNE-** Dave was a very calm goalkeeper. He made some solid saves and strong punts. He was always ready, willing and most able!

**SANG CHI-** Sang was the man who "stopped the bleeding" in the midfield. Whenever a player was dominating, he would shut him down with his motivation to win the ball.

**NEEL MAKHIJA-** Neel had the blazing speed that our team needed and gave us some threats on goal. He also added the energy and "vocal" lift that we could use.

**KEVIN MATTHEWS-** Kevin was a strong, consistent midfielder. He was never afraid to use his whole body to fight for the ball. His strength, combined with his ability, made for great scoring opportunities.

**SCOTT MILSTEAD-** Scott's love for the game was displayed every time he got the ball. He was a most threatening striker and always looked to goal. His magical footwork made controlling the ball look easy.

**MO POURDEHNAD-** Mo wasn't only a part of the team, he was also a vital part of the coaching staff. His video tapings gave Sam and Bob a chance to identify the team's errors and improve their play. Mo helped the program develop to where it is today.

**RYAN TRUCKSESS-** Ryan was a thinking player whose head was always in the game. His long stride helped get the ball to goal in a most relaxed manner.
