FROM THE PRINCIPAL

Despite the fact that Star Wars is amazing, and the new film is breaking box office records, I will spare you a Star Wars themed message. Not as much as a “May the force be with you” will be found here. No Master Yoda sayings, no analysis of how Radnor High School is a Jedi Academy. Nope, just a heartfelt thanks to all the parents and guardians out there for your support of our students and our school. Being a teenager is tough. Your support of your student is critical in their success. Thank you for being there as they learn to advocate for themselves, and navigate the challenges of the teenage years. We at Radnor are happy to have you as partners in your child’s education. I wish everyone a wonderful break and a Happy New Year!

Andie Oates and Annika DeRoos
Alex Hahn and Andrew Ciatto
Eren Ozer and Katherine Hung
Claire Solomon and Abby Dichter

Congratulations to Radnor Model UN.

LIBRARY MEDIA CENTER

Happy New Year! As we enter into January, many research projects are going to be started across our content areas. The RHS Library has a wide variety of print and online resources for all of our students. Regarding the print resources, did you know that we no longer have late fees? Students are relieved to know that they can check out a book and not have to worry about owing any money for being late. We do send late notices through Schoology! Check out some books!

Speaking of Schoology, you can find all of our database passwords and links in the Radnor High School Library Schoology Group’s Resources Tab. All students are members of this group. We also frequently update other resource materials such as Reading, Research, LibGuides, and more. All of our databases can be found here: http://rtsd.libguides.com/Databases. Students know the home access password.

Have you had a chance to see our new Library items this year? We update this LibGuide every month: http://rtsd.libguides.com/newlibraryitems. If you’d like to recommend a book, please let Mrs. Wetzel know.

Any questions? Contact Michelle.Wetzel@rtsd.org.
FROM THE INSTRUCTIONAL COACH

While some students may view approaching the half-way point of the school year a good thing, others may be filled with trepidation. In high school, midyear means one thing: MIDTERMS. Cramming is not the most effective way to retain information. To encourage your children to gradually prepare for the exams, you may:

- Suggest rereading notes multiple times a week, to include old quizzes and exams.
- Recommend they compose a study group. An efficient way to prepare for exams is to discuss in groups. Taking advantage of the perspectives and strengths of others will heighten learning.
- Ask your son or daughter to share with you what they've learned.
- Help them to make connections between topics learned and:
  - Themselves: how can they relate their experiences to what they are learning?
  - The world: how does what they are learning relate to the world? To include music, movies, news, etc.
  - Another book: how does what they are learning relate to another book or article?
- Propose they check out online resources such as:
  - **Khan Academy** - for videos of short, clear lessons on a vast range of topics.
  - **Quizlet** - to create virtual flash cards on relevant information.
  - **Brainpop** - for movies, quizzes, activities pages, and more!

Approaching the midyear mark and midterms does not have to cause anxiety or apprehension. Like Alexander Graham Bell says, “Before anything else, preparation is the key to success.” -Mrs. Misener

RADNOR HIGH SCHOOL HEALTH and SAFETY

Maureen K. Lerario, CSN

BABY IT'S COLD OUTSIDE

Winter is upon us. And with winter comes winter activities. Shoveling snow is one major winter activity. Taking a few precautions while you are shoveling can help prevent unnecessary pain and suffering.

If you have a history of heart problems or are inactive, talk to your doctor. There is an increase in the number of fatal heart attacks among shovelers.

Warm up and stretch before you get started.
Drink plenty of water to keep yourself hydrated.
Shovel only fresh snow. Freshly fallen, powdery snow is easier to shovel than the wet, packed down variety.
Push, don’t lift. It’s easier on your back and uses less energy than lifting.
Pick the right shovel.
Lift with your legs bent, not your back. Keep your back straight. By bending and “sitting” into the movement, you’ll keep your spine upright and less stressed.
Dress the part – dress in layers.
If your body is telling you to stop, listen to it. Stop if you feel pain.

Winter Safety:
Home fires are more prevalent in the winter months than any other season. Cooking is the leading cause of all winter residential building fires. Other winter fire hazards include space heaters, fireplaces and candles.

In 2012, over 16,000 Americans were treated for head injuries in emergency rooms because of playing winter sports (skiing, sledding, snowboarding, snowmobiling).
Fatal crashes were 14% more likely to happen on the first snowy day of the season than on the day following.

According to the CDC, most carbon monoxide poisonings happen in January; the second most in December. Carbon monoxide detectors save lives, but less than one-third of American homes have one installed.

Don’t text and Drive!!!

CLASS OF 2016
Seniors save the date! Graduation is right around the corner and preparation for the big day now kicks into high gear. Mark your calendars for Thursday, February 4th during Community Period.
Jostens’s is coming to size you for your cap and gown. This is the one and only opportunity you will have to order your cap and gown so mark your calendars now! This is a mandatory meeting.

Additional graduation celebration items, including announcements and thank you cards can be ordered through this link: Jostens Graduation Orders. As always, if you have any questions, please contact Mrs. Trozzo at karen.trozzo@rtsd.org
**CLASS OF 2017**

Please Save the Date for these Important Events:
MLK Day of Service- January 18th, 2016
Junior Prom- April 30th, 2016

**Happy Holidays** - We would like to wish all RHS families a happy holidays and a happy new year.

**Activities Fee** - REMINDER: If you have not already done so, please send in your class activities fee. See attached letter at the end of the newsletter. If you cannot remember whether you have already mailed this in, please contact Kathy Rinehart (kathyrinehart@verizon.net).

**Need help for 2015-2016 School Year** - We are really looking forward to planning this year's events with you. We are hoping to form parent volunteer groups for each of the major class events: Homecoming, LM week, junior prom, and the service project. Please e-mail parents Nancy DerSimonian (ndersimonian@yahoo.com) and Robin Henkin (robinhenkin@gmail.com) or faculty advisors Charlene Mastro (Charlene.Mastro@rtsd.org) and Alexis Swinehart (Alexis.Swinehart@rtsd.org) if you would like to get involved.

**Day of Service** - Student council is currently helping to organize a day of service on MLK Day, January 18th, 2015. More info will come in the coming weeks.

Academic Support
As the second marking period comes to an end, it’s important that you review your report card in HAC. Report cards are not mailed home, unless you request them from Nadine McDevitt in the Main Office. Keep in mind that the high school has numerous additional academic support opportunities if you are in need of help. Options are listed below:

The Math Center: Walk in availability in room 203 and open all 8 periods
The Writing Center: Appointment only. To schedule an appointment go to the back right corner of the Library and you will see the appointment schedule on the door.
The Academic Success Center: Walk in availability in room 115 and room 230 are open all 8 periods staffed by a Special Education teacher.
Teachers: See your teacher directly. Extra help is available through them directly as they have office hours and can schedule time outside of class to assist you.
Peer Tutoring: Available Monday through Friday from 2:30 to 3:30 pm. Text 610-969-8788, include your name, subject and date.

Request for 1st Quarter Grades
Request for 1st Quarter Grades forms are available in the Guidance Office. It’s important that you review your Report Card prior to requesting 1st Quarter Grades be sent. Please stop into Guidance and fill out a form with your Student Name, Student ID, a list of colleges you’d like to receive 1st Quarter grades as well as signing your name at the bottom of the page with the date. Return the Request for 1st Quarter Grades form to the bin marked ‘Completed’ on Stephanie Querze’s desk, which will have 10 business days to process your request. You will be notified once your 1st Quarter grades have been sent to your requested colleges. This request is at no cost to the student.

College Application Status
Remember to create an account via college portals to check your applicant status. Once a college emails you that they have received your application, please set up your account so you may track your applicant status.

College Decision Letters
Class of 2016: Please bring in a hard copy of all college decision letters with accepted, denied, waitlisted or deferred decisions to the Guidance Office. If you are unable to make a copy, we’ll make a copy for you. You may also scan the letters to send as PDF’s or take a screen shot of the college web portal and email your Guidance Counselor.
College Scholarship Letters

Class of 2016: Please bring in a hard copy of the scholarship letter to the college you will be attending or any outside scholarships you’ve received and will apply toward the college you will be attending, ONLY IF you would like it listed in the RHS Graduation Program book.

Naviance

Please use Naviance to its fullest. In Family Connection, click the Colleges tab, under ‘Colleges I’m Applying To’, under ‘My Application’ there’s a link that states ‘have you applied?’. Once you’ve submitted your application, you may click on the link ‘have you applied?’ then check the box that states ‘I have submitted my application’ then click on the Update Applications at the bottom. Your Student Status application will populate on the Guidance Office’s Naviance page as ‘Student Status Submitted’ so we’re aware of your status.

Not all 11th and 12th grade students have an email address or current email address on their Naviance account. Please see your Guidance Counselor if you need to update your email address on Naviance.

Scholarships:

Seniors please be sure to check Naviance for all scholarship information. Scholarship information is added onto the scholarship list on a daily basis. Check out the criteria to see if you meet the criteria and then apply! Just like college applications, scholarships have deadline dates. If a transcript is required for your scholarship application, please request a transcript through your Family Connection page. Click on the Colleges tab, then under Resources click on Transcripts then click on the link ‘Request transcript for scholarships or athletics’. The $3.00 per transcript fee applies to these requests. Checks are acceptable forms of payment and made payable to ‘RHS’. Please turn in your payments to the Guidance Office the day after your request.

Transcript Requests

If you have a regular decision deadline of January 15, please request your transcript either before winter break or by January 1. Please note that counselors are not in the office during winter break. Transcript requests cannot be processed without a request on Naviance and the fee is $3.00 per transcript. Checks are acceptable forms of payment and payable to ‘Radnor High School’. Cash is not accepted. Please turn in your payments to the Guidance Office the day after your request.

Transcripts may also be requested through Naviance for scholarships or athletics. Transcripts cannot be processed without a request on Naviance and the fee is $3.00 for each transcript. Checks are acceptable forms of payment and made payable to ‘Radnor High School’. Please turn in your payments the day after your request to the Guidance Office.

Financial Aid

All college bound seniors are encouraged to complete The Free Application for Federal Student Aid (FAFSA). The form is available on the web site and is easy to complete. The website is www.Fafsa.ed.gov. Although applications cannot be filed until after January 1st, it is helpful to review the procedures.

Radnor High School Scholarship Fund

The deadline for applications is Wednesday, April 6th, 2016 at 2:30 pm. The application is available online at www.radnorscholarshipfund.com. Hard copies are available in Guidance on Stephanie Querze’s desk. See below for an overview of the history, process, volunteer commitment and terms, which is pulled from Page one of the application.

History of The Fund: The Radnor High School Scholarship Fund (The Fund) was founded in 1966 to provide financial assistance to deserving graduates of Radnor High School for post-high school education. The applications are then reviewed by a financial officer at a local university. The officer classifies the applicants based on financial criteria and prepares a summary report ranking the applicants according to category of need. All financial information received is held in strict confidence. You will be notified either way if you are moving forward in this process. Interviews: In early May,
the finalists are interviewed at RHS during evening sessions by a selection committee comprised of both board members and community representatives. This review committee considers community involvement, academic performance and commitment to higher education to arrive at individual awards consistent with a budget established for the class. Each class has a specific budget available; the amount is dependent upon the success of our fund-raising activities. **Radnor High School Scholarship Fund Award Ceremony:** The Fund holds a short informal award ceremony in the Library just before Senior Awards Night in June (Monday, June 6th, 2016) to present a certificate to each new recipient and get a group photograph. **Volunteer Commitment:** Because of the continual rise in educational costs, The Fund has gradually increased its average award to provide a meaningful level of support. This puts pressure on our fund-raising activities and demands more volunteers to help support the various activities. To help The Fund maintain, and even increase, its historic level of support, we are now forced to require that each recipient and their parents/guardians assist our fund-raising efforts in some manner over the four-year duration of the scholarship. This help is most critical at the Fourth of July fireworks (our most important fund-raiser) when we need many volunteers to help with concessions, ticket-taking and parking at the high school prior to the fireworks. **Scholarship Terms:** Commitments of scholarships are made for up to four years of full-time study and continuation of support over these years is contingent upon continuing financial need, satisfactory performance (C average or better) and our ability to fund the program. Recipients have six years over which to claim their four years of awards; this reflects the changing time frames of higher education.

**Unofficial Transcript Requests for Grades 9 through 12**
Grade 9 and 10 students must reach out to their counselor or a Guidance Secretary to request an unofficial transcript as the feature is unavailable on Family Connection. Grade 11 and 12 students or parents requesting unofficial copies of their transcript must follow our transcript request procedure in Naviance. Log onto Family Connection, click on the Colleges tab, click on the transcript links then click on ‘Request for scholarships or athletics’. Indicate transcript sent to self, parent and/or to a coach. Indicate your email address if you require an electronic copy. These unofficial requests are free of charge to students.

**How to Pay for a Transcript**
Transcript fees are $3.00 per transcript. Checks and money orders are acceptable forms of payment. Cash is not accepted. Checks are payable to ‘Radnor High School’. Payment is due the day after a transcript request is made on your Family Connection account on Naviance. You or your child may walk in the check to the Guidance Office between the hours of 7 am and 3 pm Monday through Friday. If your child’s counselor is Jeannie Semar, Jeri Banta or Amy Wess-please hand your check to Stephanie Querze, Guidance Secretary or drop it off on her desk. If your child’s counselor is JJ Lemon or Sarah Mechura-please hand your check to Leonor Perez, Guidance Secretary or drop it off on her desk. If both Guidance Secretaries are away from their desks, then please walk over to the Main Office and ask a Main Office Secretary to put the check in their mailboxes. You may also mail your check to Radnor High School, 130 King of Prussia Road, Radnor, PA 19087, Attention: Guidance Office.

**PSAT® Information**
A letter regarding the PSAT 8/9 and PSAT/NMSQT 10/11 taken on Wednesday, October 14th, 2015 was mailed home before winter break. This year, PSAT score reports will be available online [https://studentscores.collegeboard.org/home](https://studentscores.collegeboard.org/home) on 1/7/2016. PSAT test booklets for 10th and 11th graders will be distributed to students in homeroom after the winter break. Ninth grade students will not get a test book returned to them. If after January 7th you have difficulty obtaining your scores, please reach out to the High School Guidance Office.

**SAT's on Saturday, January 23, 2015**
RHS opens at 7:30 am. Students are released to their testing rooms at 8:00 am. SAT Test administration starts by or before 8:30 am. For students with standard time, testing should end by or before 1 pm; for students with extended time, testing should end by or before 2:30 pm; each Subject test is one hour and for extended time each test is one hour and thirty minutes. On test day, please remember to bring your printed admission ticket, photo ID, several No. 2 pencils, an approved
calculator (https://sat.collegeboard.org/register/calculator-policy), drinks and snacks and/or lunch. Be sure to get a good night’s sleep and eat a hearty breakfast!

Scores will NOT BE REPORTED to the high school if the student does not include the Radnor CEEB code: 394133. CEEB stands for College Entrance Examination Board and the CEEB code is a standardized ID number that is assigned to a high school, college, or university.

The Guidance Office has a lending library to sign out SAT study books. We also have free copies of ‘Getting Ready for the SAT’ and ‘Getting Ready for the SAT Subject Tests’ practice test booklets. You may print out your admission ticket prior to test day if you are unable to print it at home. The Guidance Office has laptop computers and a printer available to students during Guidance Office hours from 7:00 am until 3:00 pm Monday through Friday. Please stop in and help yourself to these resources.

*Please note: The Services for Students with Disabilities (SSD) accommodations request process can take up to seven weeks and does not begin until all documentation is received. If accommodations deadlines are not met, then accommodations might not be approved and in place in time for test day. Please contact your assigned Case Manager or School Psychologist for assistance.*

**The Pennsylvania Governor’s School for the Sciences (PGSS)**

The Pennsylvania Governor's School for the Sciences (PGSS) was established in order to provide a summer enrichment experience in the sciences and mathematics for talented Pennsylvania high school students and to encourage them to pursue careers in the fields of science, technology, engineering or mathematics. The program provides instruction in biological sciences, chemistry, physics, mathematics, and computer science, with emphasis on collaborative learning and team research. PGSS is now accepting applications. This is a very selective summer enrichment opportunity for qualified students in their junior year of high school interested in math and science. Accepted applicants will receive a full scholarship to the program covering housing, meals and all instructional materials, though families are responsible for students' transportation to and from the program. Dates are June 26 - July 30 at Carnegie Mellon University. The postmark deadline is January 31, 2016. For details and application visit: [http://sciences.pa-gov-schools.org/](http://sciences.pa-gov-schools.org/).

UNGUARDED

a conversation with Chris Herren
about addiction and recovery

TUESDAY, JANUARY 12 7 p.m.
The Agnes Irwin School Gymnasium

JOIN PARENTS and community members from
Agnes Irwin, the Radnor Township School District and
Haverford to hear the riveting story of former Boston
Celtics guard Chris Herren's battle with substance abuse.

Chris Herren was a high school and college
basketball phenomenon who realized his dream of playing
in the NBA only to quickly lose it all to addiction.
Having fought his way back to sobriety, Herren is one
of the nation's most sought-after speakers on this issue.
His gripping story was told in the Emmy-nominated
ESPN documentary Unguarded, based on his memoir,
Basketball Junkie. Sober since 2008, Herren makes it his
mission to keep others from going down the same path,
one person at a time.

Space is Limited. RSVPs recommended at:
