Using FollettShelf E-books

1. Go the RMS Library website and click on Destiny
2. Click on the link for FollettShelf
3. Click on Login
4. Enter your username and password

Once you are logged into FollettShelf you can start browsing for an e-book that you are interested in. Flip over this handout for help browsing for and checking out e-books.
To see more information about an e-book, hover over the picture of the cover (pictured below).

If you would like to read a few pages, click on Open Book.

Once you have decided you would like to “Check Out” the book you click on the “i”.

Next, click on the Check Out button.
