

If I don't plan to make any changes to my benefits, am I required to submit an election form during Open Enrollment?

Currently enrolled and not making changes to medical, dental or Rx

- Preferrable, but not required

Opting out of benefits

- Required annually
- Must provide proof of other coverage

If collectively bargained elections in addition to basic medical coverage are on the form AND/OR if enrolling/reenrolling in flexible spending (dependent care or health care)

- Required annually
