

## Thank you for agreeing to host a Grade Level Social!

These socials are a wonderful way to make Radnor Elementary more welcoming to families and we are so grateful for your offering your time and home for these fun events.

Socials are usually held on a Friday or Saturday night. The K-3 grade socials are generally in the fall with the 4-5 grade socials in the fall, winter or spring, but that can change depending on the host. Multiple grade level socials can be on the same date. If that happens, families with students in both grades may just have to attend two socials that night. Even though we defer to the dates of your choice, please be mindful of holidays in September like Rosh Hashana and Yom Kippur as they may limit families to attend your event.

We encourage social hosts to ask a \$10/person contribution to help cover food and non-alcoholic beverages or, to ask guests to bring their own beverages or a dish to share (appetizers, salads, desserts etc.)

For our coffee morning social for all grades, we ask our social hosts to provide light refreshments that will be covered by the PTO. Please use the [Reimbursement](#) form on our website.

We would like to announce your event in early September so please provide us with the dates that are most suitable for you to host. Let the Grade Level Social Chair, [Leslie Selbach lkramer14@yahoo.com.com](#), know what dates work for you as soon as possible. After the date is confirmed, we will ask you to create an [evite](#) announcing the event date, location (your home address) and what guests are required to bring (monetary contribution, food, drinks, etc.). You do not need to include any email addresses in your evite. That will be done by the PTO. Once your evite is complete, please forward the evite link to Leslie. The PTO will send out the evite on your behalf.

Sample evites from past events are available here:
