

The Multicultural Committee Welcomes You to Radnor Elementary School!

We are a cosmopolitan group of parents who want to share our educational philosophy to focus on embracing and celebrating all the cultures and nationalities within our Radnor community.

Throughout the year, during fun social gatherings, we brainstorm, plan and organize our annual **International Week** celebrated in **January**. During that week, our children learn key facts about the “country of the year” during all 5 Specials classes.

Our **International Week** will end with a delicious potluck dinner with a large variety of food from all over the world. Join us during many exciting activities showcasing our nations and their rich heritages.

We are so excited to announce the 2019/20 country of the year:

South Korea!

If you are from South Korea or may share any facts about this fascinating country, let us know!

Join our fun-loving group by contacting our chairs,
