

OPEN CAMPUS PROGRAM

Radnor High School maintains an open campus system. High school students need and deserve education in accepting increased responsibility for their own public behavior while in a supportive school environment. Open Campus privileges are granted only if the high school administration and parents both agree to this each school year. Those without permission, as well as those who abuse the privileges, will be required to report to a supervised area during all unassigned periods. Students must carry at least 6.5 credits each semester to be eligible for Open Campus privileges.

****ADMINISTRATION RESERVES THE RIGHT TO REMOVE OPEN CAMPUS PRIVILEGES FOR ANY INAPPROPRIATE BEHAVIOR****

Students, whose parent has checked **YES** on the reverse side of this form, are expected to do the following during any unassigned class time:

- Study, read, or research in the library
- Study in a supervised area
- Socialize in the cafeteria or other appropriate on campus location
- See a counselor
- Seek help or work in the Math Center/Writing Center/Support Services area
- Make up missed tests, meet with teachers/staff, etc.

- Seniors may leave campus any time that class is unassigned.

OPEN CAMPUS RULES:

- NO ONE MAY LEAVE THE BUILDING DURING COMMUNITY PERIOD.
- Socializing in academic hallways is not permitted during school hours.
- Students must have a valid student ID when exercising OC privileges.
- Students exercising off campus privileges must present their student ID card to security at the main office when leaving and immediately upon returning.
- Students may only exit and re-enter through the main entrance doors.
- Students whose parents have checked NO on the reverse side of this form have no open campus privileges, meaning the student may not leave campus during the school day.
- Students will lose their open campus privileges for certain attendance or discipline violations. These procedures are outlined in the "Attendance and Discipline" section of the Student Handbook.
- Students will lose their open campus privileges for a semester if there is a failing grade for any class after each semester.

Parents and students should read and discuss the school rules and regulations, which appear in the Student Handbook, as well as discuss the advantages and disadvantages of the Open Campus Program.
