September 2021

Dear Parent/Student:

Section 9528 of the Every Student Succeeds Act and the National Defense Authorization Act require all high schools, upon request, to share names, addresses and phone numbers of all secondary students with institutions of higher learning and military recruiters.

Prior to the potential release of such information, parents/guardian, or the student (if he/she has reached 18 years of age) have the option of opting out of the disclosure of this information.

If you would like to opt out, please complete and return this letter by the indicated deadline. For additional information, please visit <https://www2.ed.gov/policy/gen/guid/fpco/hottopics/ht-10-09-02a.html>

Thank you for your attention to this matter.

Sincerely,
Mrs. Panayota Kevgas
Principal

(Please return to Leonor Gelpi-Perez in Guidance by Friday, October 1st, 2021)

I have been notified of the “Every Student Succeeds Act” and request that my name/my child’s name, address and telephone number not appear on the student list that may be shared with armed forces recruiters. (Please print the names of all the high school students in your family that you would like excluded.)
