FROM THE PRINCIPAL

This week I was fortunate to see our student-athletes excel at both the swimming and diving meet vs. Penncrest, and when our wrestlers battled Haverford. Last week I was proud to watch our students in action when we hosted an exhilarating Hi-Q match, and when we held a girls and boys basketball double-header to benefit Coaches vs. Cancer. The week before, our squash team looked stellar as they continued to build on yet another successful season. At all of these events, what was one thing I noticed across the board? Our students were efficiently using their time. A wrestler sitting outside the gym who had just finished his JV match studying for midterms before the Varsity match kicked off. Swimmers who just got out of the pool, pulling out their books and iPads to get some of their work done before the next event. Girls basketball players quizzing each other before warm-ups.

If one were to walk the halls on any given day at Radnor High School you would see students working in groups or studying independently in the cafeteria, auditorium lobby, library and international café. Our students are truly invested in their education. Considering the plethora of activities, clubs, athletic events and community commitments our students successfully participate in, it is amazing they have time in the day to get it all in. Radnor students are remarkable, but regardless of how talented they are, they all need down time. More specifically, they need to make sure they are getting enough rest so they can be happy, healthy, and continue to shine.

As parents and educators working with teenagers, helping our students to find balance in their life is important. On February 21st, the Radnor Township School District has partnered with the Radnor League of Women Voters to bring in a panel to address Sleep and the Adolescent Brain. This event, hosted at Radnor Middle School, and sponsored by the Radnor PTSA and PTOs, the Lower Merion School District, the Tredyffrin-Easttown PTOs, and the area Leagues of Women Voters, is an opportunity for parents to hear from experts in the field, and to have their questions answered.

Thank you for your support of your sons and daughters. They truly are remarkable, and that is a testament to each of your efforts on the homefront. As we all know, there are only so many hours in the day. I encourage you to find time to join us for this important presentation. Please check out bit.ly/sleepforum to register and for additional information.
Sleep and the Adolescent Brain

Why do adolescents have such trouble getting up in the morning?

How much sleep do adolescents (ages 10-18) need and how much are they typically getting?

What are the academic, social, emotional, and behavioral implications of sleep deprivation?

As parents, schools and communities, how can we use our knowledge of adolescents’ unique sleep patterns to help them be healthier?

Join us for a forum moderated by the Radnor League of Women Voters featuring expert panelists:

Dr. Judith Owens
Director of Sleep Medicine at Boston Children’s Hospital in Boston, MA

Dr. Katherine Dahlsgaard
Lead Psychologist at the Anxiety Behaviors Clinic at Children’s Hospital of Philadelphia

Dr. James Scanlon
Superintendent of Schools, West Chester Area School District

Forum to be followed by audience Q&A

The Radnor Township School District, in partnership with the Radnor League of Women Voters, invites all those interested to attend. This presentation is sponsored by the Radnor Township School District PTOs and PTSA, the Lower Merion School District, the Tredyffrin–Easttown School District PTOs, and area Leagues of Women Voters.

LIBRARY MEDIA CENTER

Did you know that the Library Club hosts six Book Club events every year? All students are welcome to read the books and join us during their lunch period to discuss. We are so thankful to the Radnor Educational Foundation for providing funds for multiple copies of these books on OverDrive. Many of the books are Pennsylvania Reader’s Choice Nominees and Battle of the Books (Reading Olympics) selections. February’s book pick is We Should Hang Out Sometime, a memoir by Josh Sundquist. All information about the RHS Book Club can be found here: http://rtsd.libguides.com/RHSBookClub

All of our iPads have access to the Gale databases and reference ebooks through the Access My Library app. You’ll need our database password (RHSDL) to access newspapers, magazines, primary sources, reference sources and more across all of our content areas. FROM THE INSTRUCTIONAL COACH

Readers throughout our school are preparing for *The Reading Olympics Competition*, also known as *Battle of the Books*. Hosted by the Delaware County Intermediate Unit (DCIU) on the evenings of May 2nd-4th, these battles will take place at Radnor High School. It is a unique experience for students who love to read and discuss literature and how cool is it that it will be held on our own turf!? 

Every year, the DCIU releases a *Reading Olympics Book List* and students read books of their choice. In the coming weeks during select Community Periods, the Battle of the Books Club will gather to discuss book summaries, plots, and themes. In addition, they will be designing their own logo for a t-shirt. Come competition day, we fuel up on food, answer some practice questions and head over to the school, where students will work as a team to answer questions related to book content.

For more information, I’d suggest interested participants attend a Battle of the Books Club meeting during Community Period. With Course Selection right around the corner, this would be a great opportunity to talk with Battle of the Books enthusiast Mrs. Misener (as Dr. Swinehart, Battle teacher, is on maternity leave). This course will only run if there is enough student interest. Please encourage your son or daughter to participate and if you have any questions or concerns, contact myself or Mrs. Wetzel.

And one more thing, March is the month we celebrate “Read Across America.” Contests, read a louds, and food are included in our plans! More information is to follow on my website. I think Dr. Seuss may have been talking about both The Reading Olympics and “Read Across America” week when he said: “If you never did. You Should. These things are fun and fun is good!”

Questions or comments? Please contact me at frances.misener@rtsd.org
A big thank you to all of the students who volunteered for the MLK Day of Service trip to the Henry School in Philadelphia. Your work in cleaning, organizing and painting definitely made a difference for the students at that school.

If you did not get to volunteer for the MLK Day of Service, you can still make a difference! Radnor grad Technical Sergeant Christian Craig (Class of ’99) is stationed overseas with the US Air Force for the next 6 months. We will be doing a collection to send care packages to him and the troops he is stationed with. Boxes will be placed in homerooms for your donations. Please bring in:
- Letters of encouragement and appreciation
- Artwork/drawings/small posters
- Christmas Lights
- Tastycakes
- Candy
- Gum/Mints
- Individually wrapped snacks such as Pringles, cookies, etc.
- Beef Jerky
- Granola bars
- Sunflower seeds
- Puzzle books- Sudoku, crossword, etc.
- Baby wipes
- Scented hand sanitizer
- Scented Body Spray
- Travel size Febreze or other fabric fresheners

Please help us thank these men and women for their sacrifices and service to our country.

If you have not yet paid your one-time student activity fee of $50, please see the attached letter (see below) and get your payment in. Dues will help supplement the cost of important class activities including (but not limited to) Semiformal Dances, Junior and Senior Proms, Homecoming, LM week, Field House Painting, and Graduation.

Lastly, on behalf of the Class of 2017, we will be making a $250 contribution to The Epilepsy Foundation of Eastern Pennsylvania (EFAPA), in remembrance of our fellow classmate and friend, Kaela Stuard.

Thank you and if you have any questions, please do not hesitate to email us.

Dear Class of 2017 Students and Parents:

At the beginning of freshman year and again at the beginning of sophomore year, the Parent Council and Faculty Sponsors had a discussion concerning the overall budget and plans for the Class of 2017 that would carry through to graduation. After much discussion we agreed on a recommendation that the class would raise these funds through a Student Activity fee rather than fundraisers.

Per the preliminary budget, we decided on a one-time student activity fee of $50. Dues will help supplement the cost of important class activities including (but not limited to) Semiformal Dances, Junior and Senior Proms, Homecoming, LM week, Field House Painting, and Graduation.

If you already paid your activities fee last year or at the beginning of this year, thank you.

Thank you for your continued involvement,
Class of 2017 Sponsors and Parent Council

Academic Support
As the second marking period comes to an end, it’s important that you review your report card in HAC. Report cards are not mailed home, unless you request them from Nadine McDevitt in the Main Office. Keep in mind that the high school has numerous additional academic support opportunities if you are in need of help. Options are listed below:

**The Math Center:** Walk in availability in room 203 and open all 8 periods
**The Writing Center:** Appointment only. To schedule an appointment go to the back right corner of the Library and you will see the appointment schedule on the door.
**The Academic Success Center:** Walk in availability in room 115 and room 230 are open all 8 periods staffed by a Special Education teacher.
**Teachers:** See your teacher directly. Extra help is available through them directly as they have office hours and can schedule time outside of class to assist you.
**Peer Tutoring:** Available Monday through Friday from 2:30 to 3:30 pm. Text 610-969-8788, be sure to include your name, subject, and date.

Mid-year Reports
**Class of 2016:** Mid-year Reports will be automatically sent to the colleges you requested transcripts sometime in mid-February. You do not need to submit a request for mid-year transcripts, and the Guidance Office does not need Mid-year Report forms. Penn State does not accept Mid-year Reports. There is no cost for this service. The Mid-year Report combines a student’s 1st Quarter, 2nd Quarter, and mid-term exam grades together into one semester grade, and that semester grade is reported to schools.

College Application Status
Remember to create an account via college portals to check your applicant status. Once a college emails you that they have received your application, please set up your account so you may track your applicant status.

College Decision Letters
**Class of 2016:** Please bring in a hard copy of all college decision letters with accepted, denied, waitlisted or deferred decisions to the Guidance Office. If you are unable to make a copy, we’ll make a copy for you. You may also scan the letters to send as PDF’s or take a screen shot of the college web portal and email your Guidance Counselor.

College Scholarship Letters
**Class of 2016:** Please bring in a hard copy of the scholarship letter to the college you will be attending or any outside scholarships you’ve received and will apply toward the college you will be attending, ONLY IF you would like it listed in the RHS Graduation Program book. The deadline for turning in your scholarship letters to Stephanie Querze in Guidance is Thursday, May 5, 2016 at 3 pm.

Naviance
Please use Naviance to its fullest. In Family Connection, click the Colleges tab, under ‘Colleges I’m Applying To’, under ‘My Application’ there’s a link that states ‘have you applied?’. Once you’ve submitted your application, you may click on the link ‘have you applied?’ then check the box that states ‘I have submitted my application’ then click on the Update Applications at the bottom. Your Student Status application will populate on the Guidance Office’s Naviance page as ‘Student Status Submitted’ so we’re aware of your status.

Not all 11th and 12th grade students have an email address or current email address on their Naviance account. Please see your Guidance Counselor if you need to update your email address on Naviance.

Transcript Requests
Transcripts may be requested through your Family Connection account on Naviance for college, scholarships, athletics or other reasons. On your Family Connection home page, click on the Colleges tab, then under resources click on transcripts then under transcripts, click on Request transcripts for my college applications. Transcript requests cannot be processed without a request on Naviance and the fee is $3.00 for each transcript. Checks are acceptable forms of payment and made payable to ‘Radnor High School’. Cash is not accepted. Please turn in your payments the day after your request to the Guidance Office.

**Scholarships:**
Seniors please be sure to check Naviance for all scholarship information. Scholarship information is added onto the scholarship list on a daily basis. Check out the criteria to see if you meet the criteria and then apply! Just like college applications, scholarships have deadline dates. If a transcript is required for your scholarship application, please request a transcript through your Family Connection page. Click on the Colleges tab, then under Resources click on Transcripts then click on the link ‘Request transcript for scholarships or athletics’. The $3.00 per transcript fee applies to these requests. Checks are acceptable forms of payment and made payable to ‘RHS’. Please turn in your payments to the Guidance Office the day after your request.

**Unofficial Transcript Requests for Grades 9 through 12**
Grade 9 and 10 students must reach out to their counselor or a Guidance Secretary to request an unofficial transcript as the feature is unavailable on Family Connection. Grade 11 and 12 students or parents requesting unofficial copies of their transcript must follow our transcript request procedure in Naviance. Log onto Family Connection, click on the Colleges tab, click on the transcript links then click on ‘Request for scholarships or athletics’. Indicate transcript sent to self, parent and/or to a coach. Indicate your email address if you require an electronic copy. These unofficial requests are free of charge to students.

**How to Pay for a Transcript**
Transcript fees are $3.00 per transcript. Checks and money orders are acceptable forms of payment. Cash is not accepted. Checks are payable to ‘Radnor High School’. Payment is due the day after a transcript request is made on your Family Connection account on Naviance. You or your child may walk in the check to the Guidance Office between the hours of 7 am and 3 pm Monday through Friday. If your child’s counselor is Jeannie Semar, Jeri Banta or Amy Wess-please hand your check to Stephanie Querze, Guidance Secretary or drop it off on her desk. If your child’s counselor is JJ Lemon or Sarah Mechura-please hand your check to Leonor Perez, Guidance Secretary or drop it off on her desk. If both Guidance Secretaries are away from their desks, then please walk over to the Main Office and ask a Main Office Secretary to put the check in their mailboxes. You may also mail your check to Radnor High School, 130 King of Prussia Road, Radnor, PA 19087, Attention: Guidance Office.

**Financial Aid**
All college bound seniors are encouraged to complete The Free Application for Federal Student Aid (FAFSA). Senior students and parents should complete the FAFSA form which is available online at www.fafsa.ed.gov to receive financial aid while attending college. The result of the FAFSA, called SAR (Student Aid Report) is required as part of the Radnor Scholarship Fund Application. FAFSA applications can be filed beginning January 1st, 2016. Once the FAFSA is completed and submitted, you should receive your SAR within 7 – 10 days. Resources are listed below.

Reporting Income on the FAFSA® – TIPS
Completing the FAFSA can be a challenge. Here are 11 common FAFSA mistakes.

FAFSA Completion Sessions
PHEAA, in partnership with PASFAA (Pennsylvania Association of Student Financial Aid Administrators) conducts free FAFSA® Completion Sessions to help Pennsylvania families complete the FAFSA (Free Application for Federal Student Aid). These sessions are held from January through April.

2015-16 FAFSA on the Web Preview Presentation
To assist the community with the 2015-16 FAFSA processing cycle, the Department of Education has provided an online PowerPoint presentation containing information and screen shots.

FSA ID Reminder – FSA ID Tipsheet
The Federal PIN that students and parents previously needed to sign the FAFSA and access other aid information has been replaced by the FSA ID. Creating the FSA ID requires multiple steps that need to be completed independently by the student applicant and their filing parent. To help you with these steps, PHEAA has created a FSA ID Tipsheet. Please encourage your students and families to get their FSA ID prior to completing the FAFSA.

Fun Fact - What is the average time to complete the FASFA?
The average time to complete the 2014-15 FAFSA on the Web is 20 minutes and 07 seconds (through October 14, 2014). This statistic was provided at the Federal Student Aid conference in Atlanta, GA December 2-5, 2014.
Community: RHS Scholarship Fund
The deadline for applications is Wednesday, April 6\textsuperscript{th}, 2016 at 2:30 pm. The application is available online at www.radnorscholarshipfund.com. Hard copies are available in Guidance on Stephanie Querze’s desk. See below for an overview of the history, process, volunteer commitment and terms, which is pulled from Page one of the application.

History of The Fund: The Radnor High School Scholarship Fund (The Fund) was founded in 1966 to provide financial assistance to deserving graduates of Radnor High School for post-high school education. The applications are then reviewed by a financial officer at a local university. The officer classifies the applicants based on financial criteria and prepares a summary report ranking the applicants according to category of need. All financial information received is held in strict confidence. You will be notified either way if you are moving forward in this process. Interviews: In early May, the finalists are interviewed at RHS during evening sessions by a selection committee comprised of both board members and community representatives. This review committee considers community involvement, academic performance and commitment to higher education to arrive at individual awards consistent with a budget established for the class. Each class has a specific budget available; the amount is dependent upon the success of our fund-raising activities.

Radnor High School Scholarship Fund Award Ceremony: The Fund holds a short informal award ceremony in the Library just before Senior Awards Night in June (Monday, June 6\textsuperscript{th}, 2016) to present a certificate to each new recipient and get a group photograph. Volunteer Commitment: Because of the continual rise in educational costs, The Fund has gradually increased its average award to provide a meaningful level of support. This puts pressure on our fund-raising activities and demands more volunteers to help support the various activities. To help The Fund maintain, and even increase, its historic level of support, we are now forced to require that each recipient and their parents/guardians assist our fund-raising efforts in some manner over the four-year duration of the scholarship. This help is most critical at the Fourth of July fireworks (our most important fund-raiser) when we need many volunteers to help with concessions, ticket-taking and parking at the high school prior to the fireworks. Scholarship Terms: Commitments of scholarships are made for up to four years of full-time study and continuation of support over these years is contingent upon continuing financial need, satisfactory performance (C average or better) and our ability to fund the program. Recipients have six years over which to claim their four years of awards; this reflects the changing time frames of higher education.

PSAT® Information
A letter regarding the PSAT 8/9 and PSAT/NMSQT 10/11 taken on Wednesday, October 14th, 2015 was mailed home before winter break. This year, PSAT score reports will be available online https://studentscores.collegeboard.org/home on 1/7/2016. PSAT test booklets for 10th and 11th graders were distributed to students in homeroom after the winter break. Ninth grade students will not get a test book returned to them. Grade 9 PSAT Access Codes are available in the Guidance Office. If after January 7th you have difficulty obtaining your scores, please reach out to the High School Guidance Office. The RHS Guidance Office has received hard copies of the PSAT 8/9 score reports but has yet to receive hard copies of the PSAT/NMSQT 10/11 score reports.
