5. All team members must participate in the presentation as well as answer the questions.

PERFORMANCE INDICATORS

- Recognize the importance of marketing to the sports and entertainment industry
- Describe why sports and sports/entertainment implement promotions and sponsorships
- Identify different types of market segmentation
- Discuss the issues related to branding strategies of products to sports and entertainment
- Demonstrate the ability to make a businesslike presentation

CASE STUDY SITUATION

Liberty Airlines wants to be the official carrier for the New York Yankees.

Your consulting team has been hired by Liberty Airlines to help the airline achieve its goal. You must devise a marketing strategy to gain the loyalty of the New York Yankees and their fans. Your ultimate goal is to make Liberty Airlines the official airline sponsor for the New York Yankees and the New York Yankees. Key elements to stress in your promotions are Liberty’s low fares, policy of no Saturday-night stay required, fun attendants, great food, and overall enjoyable flying experience.

You are aware that two other major airlines already have a hold on some of the target market you plan to capture. You must overcome this competition by describing how Liberty gives customers more value for their dollar.

Possible Questions to Address:

- How does the track record for Liberty Airlines match the track record for the New York Yankees?
- What advantages will the New York Yankees organization receive from the Liberty Airlines sponsorship?
- What special promotions offered by Liberty Airlines will attract more Yankees fans to away games?
- What three things do you want to highlight most for prospective customers?
- What type of advertising campaign will be used by Liberty Airlines to highlight the relationship with the New York Yankees?
