FALL WEATHER ATTIRE

It is expected that students dress considering the weather and the need for safety. In autumn months when the weather is cooler students are encouraged to dress accordingly. You need a jacket, or long sleeves. Consider dressing for changing weather conditions and your own activity level.
We pledge, from this day forward to do our best to combat prejudice and to stop those who violate the civil rights of others. We will seek to understand those who are different. We believe that one person can make a difference and that no person should stand by when it comes to opposing hate. We will speak out against prejudice and discrimination. We will reach out to those who are victims of hate. We know that we must all promote harmony, equality and respect. By signing the pledge, we commit ourselves to creating a community that is No Place for Hate.
From school to the world, preparing the hearts, minds and spirits of all students for future success.
